

Monthly Promotions Participation Form

In a new effort to promote the Gaffer District, an Events & Promotions Update will be sent to our visitor email database once each month. One section of the Events & Promotions Update will be devoted to advertising promotions and special events at specific businesses within the district. It will be sent to our visitor email database by the 5th of each month. Promotions may be submitted in advanced and will be kept on file.

Note: Monthly promotions do not have to be limited to one per month or to the ideas highlighted in the suggested monthly promotions.

Business Name: _____
