

Corning's Gaffer District

Employee Parking Policies

OBJECTIVES:

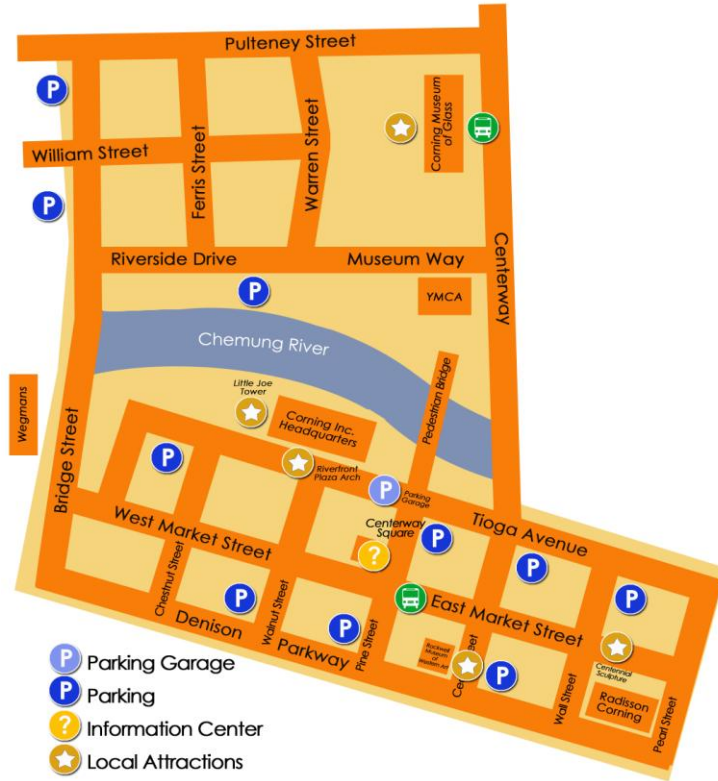

To educate downtown employers about the many convenient parking options available for their employees throughout Corning's Gaffer District.

To encourage commitment of downtown businesses to superior customer service by making on-street parking spaces available for business customers, not business employees.

To promote merchant cooperation by implementing consistent employee parking policies for businesses in the District.

GAFFER DISTRICT PARKING FACTOIDS:

- Over 1,500 parking places within an easy walk of Market Street.
- 176 on-street spaces on Market Street. Let's leave those for our customers!
- Using tokens in the Centerway Garage saves you 50%
- On-street parking is a two-hour limit per zone, so employees parking on the street must move their cars frequently.
- Parking permits cost \$15-\$35/month – more affordable than having your employees leave work to move their cars between zones

CENTERWAY PARKING GARAGE
